

A list of champions from the last three years by weight class, ordered by weight class in alphabetical order, then year in descending order.

A summary of fight styles and how many wins and takedowns each fight style has produced over all time in your database. Order the summary by the most wins to the least wins.

A list of active fighters, showing their country, weight class, fighting style(s). The list will be ordered by weight class and then by fighters' last names.

A list of matches from 2023 showing how they were won, and the number of rounds fought. This list will be ordered by date to give a timeline for 2023.

A list of fighters who missed their weight class at check in that shows the date, the amount of weight missed and the fine paid if any.

A schedule of all future matches with date, time, opponents and location. Some may not have opponents assigned yet.

MATCH

Player1FirstName	Player1LastName	Player2FirstName	Player2LastName	Victory
